**Subject:** Notice of Closed Dockets - Tesla

Greetings,

The following dockets are being closed. They were not corrected within 60 days after notice of deficiencies.

Docket No.	Facility Name	Facility Address	Reason	Date Corrections Due
18-0602	1972286	5 Vellan Drive	This System was issued a Certification number in 2014 (DE-98129-SUN-01-00-00). The proper Application to complete would be a System Addition change Form.	September 19, 2018
18-0630	199510	6 Queen Street, Rehobeth Beach, DE 19971	The address on the Interconnection Agreement does not match the Application	October 8, 2018
18-0631	197727	1341 Goldeneye Dr, New Castle DE 19720	The Application does not have a name of owner listed	October 8, 2018
18-0647	198253	1231 Gilbert Ave., Wilmington, DE 19808	Final Approved Interconnection Date is incorrect	October 8, 2018

**\*Please note the Following:**

3.1.5 If an Eligible Energy Resource, once notified by Commission Staff, fails to provide the required documentation or missing information within 60 days of the date of such notification, the Application will be dismissed and must be resubmitted.
